neighborly

Peaceful Valley partnered with the Whatcom Conservation District and applied for a Project Neighborly Grant to provide wood chipping events throughout Columbia Valley in an effort to make our community more fire safe! You can show support for our application by making a donation toward it through the Project Neighborly Grant catalog; the link is available on our website and Facebook Group page.

Comfort with Conflict: A Workshop for Homeowner Associations

"Fence-line disputes? Barking Dogs? Shared Parking Spaces? Conflict emerges between neighbors every day. This 2-hour workshop will invite participants to: explore the root of conflict, assess their needs and emotional triggers, understand how the body reacts to stress, and learn problem solving strategies."

Thanks to a grant from the Whatcom Dispute Resolution Center, this fantastic FREE training is coming to Peaceful Valley in April! If you would like to attend, or be informed when a date is set, please contact the office or fill out the interest form on our website!
