

PEACEFUL VALLEY NEWSLETTER

JUNE 2020

Stay connected while staying home!

As Whatcom County goes through the reopening process, you can keep informed of current events happening with Peaceful Valley, ie. monthly Zoom meetings, PVCC Office and Clubhouse reopening, on the website: PeacefulValleycc.com, by joining our Facebook Group: facebook.com/groups/PeacefulValleyCC or by calling the office at (360) 599-2761; Kelly is still there during office hours!

We are keeping in contact with the Whatcom Dispute Resolution Center to reschedule the Comfort with Conflict Workshop as soon as we are able to. If you are interested in participating, contact the office to be added to an update list.

Out of respect to the process of reopening following the "Stay Home, Stay Safe" order, and with the safety of our community in mind, our 4th of July Celebration has been cancelled. Please keep in mind that fireworks are still prohibited throughout the Peaceful Valley neighborhoods, and will not be allowed on the clubhouse property. Fines of \$100 per offense will be applied.

May's Roaming Chipping Event went off without a hitch! There were more households participating than at any of the previous events, and more funding has been secured for another in the fall. Please keep in mind that signing up in advance is a requirement. The next date will be announced on the website and Facebook page as soon as it is set!

Summer is here! Please exercise extreme caution and follow fire safety standards and the law by always having a **water** source nearby, don't burn garbage and always be sure your fire is out **cold** before leaving it unattended.
